

# Introduction

This annual report is prepared to present the operation of Camillian Social Center Rayong (CSC Rayong) on management of HIV/AIDS situation in Rayong in 2012 (January 1-December 31, 2012). It describes performances of project activities to achieve expected results and finally to realize the set objectives. CSC has organized its operation into 9 programs, namely 1) home of orphans living with or affected by HIV/AIDS, 2) independent living center for youth, 3) palliative care unit, 4) Garden of Eden, 5) education for HIV/AIDS prevention, 6) empowerment of eastern network of people living with HIV/AIDS, 7) scholarship for affected children, and 8) adoption program, 9) Public Relations and Resource Development. Moreover, this report also presents its financial report.

The above 9 programs were implemented to improve quality of life of those who got training, people living with HIV and those affected by AIDS.

It is with high hope that this annual report would be useful for different concerned organization interested people in general

I would like to thank all who have given hands to make this operation successful and achieve the expected results.
